#1.00 Trustee's Final Report and Application for Compensation for Howard B Grobstein, Fees: \$3,204.39 and Expenses: \$0.00

David Zolkin to appear by telephone (424)500-8552

Docket 64

Tentative Ruling:

The court is inclined to approve all the fees as requested. The debtor entered into a settlement agreement that provided for \$25,000 to the estate. The debtor cannot seek to undo the court-approved settlement agreement this way. The debtor was also fully aware, or should have been aware, of the amount of the filed claims because the claims bar date had passed before she entered into the settlement agreement with the trustee.

**Matthew F Kennedy to appear by telephone (310)375-0255
Larry D Simons to appear by telephone (818)672-1778**

Docket 82

Tentative Ruling:

The court is inclined to approve all of the fees as requested. All of the fees were incurred as a result of the debtor's own actions in the case. The debtor complains that the trustee should have settled with him instead of selling the property in Texas. The debtor did not oppose the trustee's motion to sell the property. He has thus waived any right to complain about the outcome of this case. The debtor is also under a mistaken belief that the "trustee is obligated to Debtor to make sure debtors' interest is protected." The debtor is wrong. The trustee represents the estate, not the debtor.

#6.00 Defendant's Motion for Judgment on the Pleadings

Jeffrey I Golden to appear by telephone (714)966-1000

Docket 30

Tentative Ruling:

DENY. Title 365's primary argument is that because the case was mistakenly dismissed when the property was sold, it did not violate the automatic stay. Title 365 is wrong. Section 362(c)(1) states that, with respect to property of the estate, the automatic stay terminates when property is no longer property of the estate. Section 554(c), however, states that only the "closing" of the case, not dismissal, abandons property of the estate. Thus, when the property was sold while the case was dismissed, but before the case was closed, the property remained property of the estate and the automatic stay applied.

#3.00 Trustee's Final Report and Application for Compensation for Karl Anderson, Fees: \$23,250.00 and Expenses: \$660.03

Thomas J Polis to appear by telephone (949)862-0040

Docket 156

Tentative Ruling:

Continue to 7/24/18 @ 9:30 a.m. in order for counsel for the chapter 7 trustee to amend his final fee application. Through this application, Mr. Polis seeks final approval of the previously approved fees, the unapproved fees, and subsequently incurred fees of \$28,797.00 and expenses of \$1,697.95. Mr. Polis only provides analysis and evidence in support of the newly incurred fees and expenses and fails to include all services provided so that the court can make a reasonable analysis of the total fees and expenses to be awarded. At minimum, the hearing is continued to allow counsel to supplement the record.

Counsel for the trustee also incurred 4.9 hours totaling \$2,131.50 in fees in 2017 for preparation of claim objections. A review of the docket does not reveal that any claim objections were filed in 2017. Nor were any claims withdrawn. These services therefore appear to have no benefit to the estate. There is another time entry on 5/18/15 that appears to be administrative because counsel incurred \$130.50 in fees (.3 hours) for preparing periodic billing statements for the trustee. Therefore, the newly requested fees can be reduced by \$2,262.00.

Docket 267

Tentative Ruling:

There is no notice to the debtors (only their counsel) or all creditors as required by LBR 2016-1(a)(2)(B) & (C) and FRBP 2002(a)(6) because notice was given only to NEF recipients and the court. Docket 266

Tentative Ruling:

Service of the notice is deficient because it was served on NEF recipients only and not on the debtors and all creditors. Service of the application is deficient because it was not served on the debtors (served on counsel only). The joint notice is also deficient because it refers to both applications as interim, whereas this application requests final approval. There is no declaration from the applicant authenticating the exhibits or attesting to compliance with LBR 2016-1.

FR. 4/26/18

Karl T Anderson to appear by telephone (760)831-5188

Docket 266

Tentative Ruling:

Current tentative ruling:

The court's prior tentative ruling on 4/26/18 raised certain issues that have yet to be addressed by the applicant. APPEARANCES REQUIRED.

Tentative from 4/26/18:

Service of the notice is deficient because it was served on NEF recipients only and not on the debtors and all creditors. Service of the application is deficient because it was not served on the debtors (served on counsel only). The joint notice is also deficient because it refers to both applications as interim, whereas this application requests final approval. There is no declaration from the applicant authenticating the exhibits or attesting to compliance with LBR 2016-1.

#1.00 Mortgage and General Investment Corp's Motion for Conditional Approval of Disclosure Statement and form of Ballots and Setting a Combined Disclosure Statement Hearing

Thomas Whittemore to appear by telephone (541)591-6329

Docket 170

Tentative Ruling:

The court is inclined to deny the motion because a disclosure statement cannot be approved, even on a conditional basis, on less notice than is required by Rules 2002(b) and 3017(a) of the Federal Rules of Bankruptcy Procedure and LBR 3017-1. Section 105(d)(2)(B)(vi) also cannot form the basis for granting the motion because that subsection governs the holding of a status conference and what a court may order at "any such conference." This is not a hearing on the court's chapter 11 status conference and thus § 105(d) is inapplicable.

Telephonic Hearing

#24.00 Debtor's Motion for Authority to Sell or Refinance Real Property under LBR 3015-1

Nancy Lee to appear by telephone (619)302-5482

Docket 52

Tentative Ruling:

The court is inclined to deny the motion without prejudice. The legal and factual issues raised by the debtor cannot be resolved via a motion. There are substantial factual disputes. At a very minimum, the court needs to see a signed amended tax return by the debtor and the debtor must disclose whether she was taxed for the forgiveness of debt income. If not, the promissory estoppel argument is weak.

- #2.10 Chapter 7 Trustee's Motion for Order:
(1) Authorize employment of broker and pay commission;
(2) Authorize sale of property and;
(3) Waive 14 day stay

Docket 16

Tentative Ruling:

The motion is missing a declaration from the proposed broker regarding his disinterestedness and his marketing efforts. Also, as the property appears to be owned by the estate and the debtor's ex-husband, why doesn't § 363(h) apply? If the ex-husband is consenting to the sale of the property by the trustee, the court needs evidence of this consent.

#2.00 CONT'D Trustee's Final Report and Application for Compensation for Karl Anderson, Fees: \$23,250.00 and Expenses: \$660.03

FR. 4/26/18

Docket 156

***** VACATED *** REASON: ORDER ENTERED 6/4/18 TO ADVANCE HEARING TO 6/14/18 AT 9:30 AM**

Tentative Ruling:

Continue to 7/24/18 @ 9:30 a.m. in order for counsel for the chapter 7 trustee to amend his final fee application. Through this application, Mr. Polis seeks final approval of the previously approved fees, the unapproved fees, and subsequently incurred fees of \$28,797.00 and expenses of \$1,697.95. Mr. Polis only provides analysis and evidence in support of the newly incurred fees and expenses and fails to include all services provided so that the court can make a reasonable analysis of the total fees and expenses to be awarded. At minimum, the hearing is continued to allow counsel to supplement the record.

Counsel for the trustee also incurred 4.9 hours totaling \$2,131.50 in fees in 2017 for preparation of claim objections. A review of the docket does not reveal that any claim objections were filed in 2017. Nor were any claims withdrawn. These services therefore appear to have no benefit to the estate. There is another time entry on 5/18/15 that appears to be administrative because counsel incurred \$130.50 in fees (.3 hours) for preparing periodic billing statements for the trustee. Therefore, the newly requested fees can be reduced by \$2,262.00.

**#47.00 Debtor's Motion to Disallow Claim #7 filed
by Palisades Acquisition XVII
(MJ)**

Docket 45

Tentative Ruling:

The debtor's previous bankruptcy did not give notice to any creditors that the debtor filed for bankruptcy. The list of creditors stated that it is 4 pages. However, there is nothing attached. The list of creditors contained only the debtor, the debtor's attorney, and the UST. There were also no claims filed. However, the debtor received a discharge in a no-asset chapter 7. But, the debtor is not eligible to receive a discharge in this case because he received a discharge in a prior chapter 7 case within 4 years of the petition date for this case.

The court is inclined to grant the motion as to the "Confidential" designation request as all parties, including Paula Thomas, appear to be in agreement. The only dispute appears to be the proposed use of the "Highly Confidential Attorney Eyes Only" designation of Paula Thomas' personal confidential documents. #4.00 Third Patry's Motion re: Stipulation of Discovery Dispute
Purusant to LBR 7026-1(c)

Reagan E Boyce to appear by telephone (818)827-9000

Docket 258

Tentative Ruling:

Tentative Rulings on Requests for Production:

No. 1 - Produce the computer, laptop, and desk top devices that contain any documents related to your representations of Paula Thomas

Request No. 1 only pertains to Schnider's representation of Paula Thomas. Since Schnider acknowledges that there are only 9.6 MB of data that pertains to work for Paula Thomas, Schnider should produce those documents.

No. 2 - Produce the computer, laptop, and desk top devices that contain any documents related to representation of ThomasWylde Holdings, LLC

Has Schnider produced a privilege log? If Schnider has already produced the documents, confirm in writing.

No. 3 - Produce documents that you exchanged with Andrew Apfelberg from January 1, 2014 to December 31, 2016

Schnider agrees to produce non-objectionable documents.

No. 4 - Produce documents related to any communications between you and John Hanna before July 22, 2014

Has Schnider produced a privilege log?

No. 5 - Produce documents related to any communications between you and Doug Lee before July 22, 2014

Schnider needs to provide a privilege log (stated above) if he intends to assert attorney-client privilege. Doug Lee seems to be a former client of Schnider, but this is unclear and needs clarification.

No. 6 - Produce documents related to any communications between you and Roger Kuo before July 22, 2014

Schnider needs to provide a privilege log (stated above) if he intends to assert attorney-client privilege. Roger Kuo seems to be a former client of Schnider, but this is unclear and needs clarification.

No. 7 - Produce documents related to any communications between you and Stephen Choi before July 22, 2014

If Schnider does not have any responsive documents for this request, then this issue seems moot. Although, it is not clear whether Schnider effectively communicated this to Thomas.

No. 8 - Produce documents related to any communications between you and Eniluz Gonzalez before July 22, 2014

If Schnider does not have any responsive documents for this request, then this issue seems moot. Although, it is not clear whether Schnider

effectively communicated this to Thomas.If Schnider does not have any responsive documents for this request, then this issue seems moot. Although, it is not clear whether Schnider effectively communicated this to Thomas.

No. 9 - Produce documents related to any communications between you and Paula Thomas before July 22, 2014

This seems moot as Schnider agrees to produce documents. The only confusion is what does Schnider mean by "non-objectionable" documents? If Schnider intends to assert the attorney-client privilege, then he should submit a privilege log.

No. 10 - Produce documents of any plans of reorganization you prepared between October 2013 and December 16, 2016

If Schnider does not have any responsive documents for this request, then this issue seems moot. Although, it is not clear whether Schnider effectively communicated this to Thomas.

No. 11 - Produce documents that you represent an oral contract regarding TW that committed PDTW, LLC to establishing TW

If Schnider does not have any responsive documents for this request, then this issue seems moot. Although, it is not clear whether Schnider effectively communicated this to Thomas.

Chapter 7

If Schnider produced the documents related to any officer of tW then this issue seems moot. Schnider needs to clarify what "non-objectionable" documents are and if he intends to use attorney-client privilege, he needs to submit a privilege log.

No. 19 - Produce documents related to business issues that include a third party the documents

What is Paula Thomas asking for? Request No. 19 is unclear and appears overbroad.

No. 20 - Produce communications related to business issues that include a third party in the communications

What is Paula Thomas asking for? Request No. 20 is unclear and appears overbroad.

No. 21 - Produce documents related to meetings between and among owners and members of TW regarding business issues

This request seems overbroad and more appropriately requested from TW. FRCP 26(b)(2)(c)(i). Also, Schnider says he already produced whatever documents may have been required of him so the issue also seems moot.

No. 22 - Produce communications related to business issues that include Paula Thomas in the communications

Schnider asserts that he has produced all non-objectionable documents.

Docket 12

***** VACATED *** REASON: DUE TO COUNSEL'S REPEATED
FAILURE TO COMPLY WITH LBR 5005-2(d)**

Tentative Ruling:

THE HEARING ON THIS MATTER IS VACATED DUE TO COUNSEL'S REPEATED FAILURE TO COMPLY WITH LBR 5005-2(d) AND COURT MANUAL § 2.5(a). Counsel has repeatedly failed to provide mandatory judge's copies. An initial warning was provided as a courtesy on 9/25/18 via tentative ruling. A final warning was provided on 10/2/18. Yet, no judge's copy was provided for the current matter. Counsel must re-notice the hearing to the court's next available chapter 13 hearing date that provides adequate notice to creditors. If the confirmation hearing is not re-noticed within 7 days confirmation will be denied and the case will be dismissed.

#30.00 Debtor's Motion to Disallow Claim #13 filed

Docket 49

Tentative Ruling:

OVERRULE. Debtors believe the bank's junior lien is avoided per the valuation order entered on 7-24-18 [Doc. No. 26]. However, the lien is not avoided until completion of the plan, which has not happened. Therefore, the lien is still attached and the bank's current claim is not \$0 as debtors contend. Tentative Ruling:

THE HEARING ON THIS MATTER IS VACATED DUE TO COUNSEL'S REPEATED FAILURE TO COMPLY WITH LBR 5005-2(d) AND COURT MANUAL § 2.5(a). Counsel has repeatedly failed to provide mandatory judge's copies. Multiple warnings have been given. Yet, no judge's copy was provided for the current matter. Counsel must re-notice the hearing to the court's next available chapter 13 hearing date that provides adequate notice to creditors. If the confirmation hearing is not re-noticed within 7 days confirmation will be denied and the case will be dismissed.
